

NUT AND BOLT

Craft Activity: Empty Box Harp

Supplies Needed:

- Empty Cereal, Cracker, or Tissue Box
- Rubber Bands (a variety of sizes and widths)
- Scissors or Knife
- Masking Tape

1. If using a cereal or cracker box, cut a hole in one side (like in a tissue box).
2. Stretch rubber bands over the box, so they cross the hole in the top. You might tie knots in rubber bands to make them tighter. If the rubber bands are sliding, you can secure them on the bottom or sides with masking tape.
3. Decorate or paint and play a song!
